

GOVERNMENT OF ANDRHA PRADESH

ABSTRACT

Establishment – I&CAD Department – APES – Redistribution of works among Chief Engineers under the control of Engineer-in-Chief, Projects-II, Hyderabad – Orders – Issued.

IRRIGATION & C.A.D. (SER.II) DEPARTMENT

G.O.Rt.No. 1118

Dated: 20.9.2010.

Read the following :

1. GO Rt.No.372, I&CAD (Ser.II) Dept, Dt: 31.3.2010.
2. GO Rt.No.497, I&CAD (Ser.II) Dept, Dt: 7.5.2010
3. From the ENC Projects.II, Hyderabad letter No.ENC/Projects-II/Hyderabad dated 26.7.2010.

<< >>

ORDER:

The Engineer-in-Chief, Projects-II, Hyderabad in the letter 3rd read above has highlighted the need for the planning and execution of modernization and flood control works in a systematic way in the coming 4 & 5 years. He has further submitted that the modernization works are difficult for execution than the green field projects since the constraints are more from water regulation point of view and availability of time is meager. Perfect planning in a pro-active manner for timely completion of procurement as well as execution activities is a very essential pre-requisite.

Considering all these factors in view, it is felt desirable that the Chief Engineers are kept locally in the project area with compact jurisdiction covering various subjects in the vicinity. Hence, it is proposed to reorganize the Chief Engineer Units for achieving better results with close supervision and monitoring of the works at all stages.

After careful examination of the matter carefully, Government hereby redistribute the works among Chief Engineers under the control of Engineer-in-Chief, Projects-II, Hyderabad in the following manner:

1. The Chief Engineer, Flood Banks is re-designated as Chief Engineer, Godavari Delta System to look after modernization, Flood Banks / tidal banks etc. all works of Godavari Delta System and Stationed with Headquarters at Dowlaiswaram;
2. The Chief Engineer, Modernization is re-designated as Chief Engineer, Krishna Delta System to look after modernization, Flood Banks/tidal banks etc. all works of Krishna Delta System and stationed with Headquarters at Vijayawada.
3. The Flood Banks of Vamsadhara and Nagavali in Srikakluam and Vizianagaram districts are detached from the Chief Engineer, Flood

Banks and attached to Chief Engineer, North Coast,
Visakhapatnam

4. The Flood Banks of Pennar, Swarnamukhi, Kandaleru etc. in Nellore district are detached from Chief Engineer, Flood Banks and attached to Chief Engineer, TGP, Srikalahasti.

The Engineer-in-Chief, Projects, Hyderabad / the Engineer-in-Chief (Admn. Wing), Hyderabad are requested to take necessary further action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
